EFFECTIVE DATES

Effective Date of Insured's Insurance. The Insured's insurance will be effective as follows:

1. if the Policyholder does not require the Insured to contribute toward the premium for this coverage, the Insured's insurance will be effective on the date the Insured becomes eligible;
2. if the Policyholder requires the Insured to contribute toward the premium for this coverage, the Insured's insurance will be effective on the date the Insured becomes eligible, provided;
   a. the Insured has given the Company the Insured's enrollment form (if required) on, prior to, or within 30 days of the date the Insured becomes eligible; and
   b. the Insured has agreed to pay the required premium contributions; and
3. if the Insured fails to meet the requirements of 2 a) and 2 b) within 30 days after becoming eligible, the Insured's coverage will not become effective until the Company has verified that the Insured has met these requirements. The Insured will then be advised of the Insured's effective date.

Effective Date of Dependents' Insurance. Coverage for Dependents becomes effective on the later of:

1. the date Dependent coverage is first included in the Insured's coverage; or
2. the premium due date on or after the date the person first qualifies as the Insured's Dependent. If an enrollment form is required, the Insured must provide such form and agree to pay any premium contribution that may be required prior to coverage becoming effective.

If the Insured and the Insured's spouse are both Insureds, one Insured may request to be a Dependent spouse of the other. A Dependent child may not be covered by more than one Insured.

Newborn Children. A Dependent child born while the Insured's coverage is in force will be covered from the moment of birth for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period.

Adopted Children. A Dependent child for whom the Insured is a party to a suit for adoption while the Insured's coverage is in force, this child will be covered from the date of placement for 31 days or a greater number of days, if elected by the Policyholder. To continue coverage beyond this period, the Insured must provide notice to the Company and agree to pay any premium contribution that may be required within this period. If proper notice has been given, coverage will continue unless the placement is disrupted prior to legal adoption and the child is removed from placement.

BENEFITS

Benefits are payable for each Insured Person as shown in the Schedule of Benefits for expenses incurred while this insurance is in force.

In-Network Provider Benefits. The Insured Person must pay any Copayment or any cost above the Allowance shown in the Schedule of Benefits at the time the covered service is provided. Benefits will be paid to the In-Network Provider who will file a claim with the Company on behalf of the Insured Person.

Out-of-Network Provider Benefits. The Insured Person must pay the Out-of-Network Provider the full cost at the time the covered service is provided and file a claim with the Company, unless the Out-of-Network Provider allows assignment of benefits. The Company will pay the Out-of-Network benefits up to the maximum dollar amount shown in the Schedule of Benefits.

Out-of-Area. An Insured Person who does not have reasonable access to an In-Network Provider within 75 miles of the Insured Person's residence may receive services from an Out-of-Area Provider. The Insured Person must pay the full cost at the time the covered service is provided and file a claim with the Company, unless the Out-of-Area Provider allows assignment of benefits. The Company will pay up to the In-Network Provider Allowance(s) and any cost above the In-Network Provider Copayments as shown in the Schedule of Benefits.

LIMITATIONS

Fees charged by a Provider for services other than a covered benefit and any local, state or Federal taxes must be paid in full by the Insured Person to the Provider. Such fees, taxes or materials are not covered under the Policy.

Allowances provide no remaining balance for future use within the same Benefit Frequency.

EXCLUSIONS

No benefits will be paid for services or materials connected with or charges arising from:

1. medical or surgical treatment, services or supplies for the treatment of the eye, eyes or supporting structures;
2. Refraction, when not provided as part of a Comprehensive Eye Examination;
3. services provided as a result of any Workers' Compensation law, or similar legislation, or required by any governmental agency or program whether federal, state or subdivisions thereof;
4. orthoptic or vision training, subnormal vision aids and any associated supplemental testing; Aniseikonic lenses;
5. any Vision Examination or any corrective Vision Materials required by a Policyholder as a condition of employment;

10. plano (non-prescription) contact lenses;
11. two pair of glasses in lieu of bifocals;

12. electronic vision devices;
13. services rendered after the date an Insured Person ceases to be covered under the Policy, except when Vision Materials ordered before coverage ended are delivered, and the services rendered to the Insured Person are within 31 days from the date of such order; or
14. lost or broken lenses, frames, glasses, or contact lenses that are replaced before the next Benefit Frequency when Vision Materials would next become available.

TERMINATION OF INSURANCE

The Policyholder or the Company may terminate or cancel the Policy as shown in the Policy.

For All Insureds. The Insureds' insurance will cease on the earlier of:

1. the date the Policy ends;
2. the end of the last period for which any required premium contribution agreed to in writing has been made, subject to the Grace Period provision;
3. the date the Insured is no longer eligible for insurance; or
4. the date the Insured's employment with the Policyholder ends. The Policyholder may, at the Policyholder's option, continue insurance for individuals whose employment has ended, if the Policyholder:
   a. does so without individual selection between Insureds; and
   b. continues to pay any premium contribution for those individuals.

For Dependents. A Dependent's insurance will cease on the earlier of:

1. the date the Insured's coverage ends;
2. the end of the month in which the Dependent ceases to be an eligible Dependent as defined in the Policyholder's application; or
3. the end of the last period for which any required premium contribution has been made, subject to the Grace Period provision.

A Dependent child will not cease to be a Dependent solely because of age if the child is:

1. not capable of self-sustaining employment due to mental incapacity or physical handicap that began before the age limit was reached; and
2. mainly dependent on the Insured for support.

The Company may ask for proof of the eligible Dependent child's incapacity and dependency two months prior to the date the Dependent child would otherwise cease to be covered.

The Company may require the same proof again, but will not request it more than once a year after this coverage has been continued for two years. This continued coverage will end on the earlier of:

1. on the date the Policy ends;
2. on the date the incapacity or dependency ends;
3. on the end of the last period for which any required premium contribution for the Dependent child has been made; or
4. 60 days following the date the Company requests proof and such proof is not provided to the Company.

PREMIUMS

The Company provides insurance coverage in return for premium payment. Premiums are payable to the Company by the Policyholder on behalf of the Insured Person. The Insured Person's first premium is due on the Insured Person's Effective Date. Premiums must be paid to the Company on or before the due date. The initial premium rates are shown in the Policyholder's application.

Premium Changes. The Company has the right to change the premium rates on any premium due date as allowed in the Policy. The Company will provide written notice to the Policyholder at least 60 days before the date of the change. The premium rates also may be changed at any time the terms of the Policy are changed.

Grace Period. The Policy has a 31-day grace period for the payment of each premium due after the first premium. Coverage will continue in force during the grace period. Coverage will terminate at the end of the grace period if all premiums due are not paid. The Company will require payment of all premiums for the period this coverage continues in force, including the premiums for the grace period. The grace period will not apply if the Company receives written notice of the Policyholder's or the Insured's intent to terminate coverage.

Unpaid Premium. When a claim is paid during the grace period, any premium due and unpaid for the Insured Person will be deducted from the claim payment.

CLAIMS

Notice of Claim. Written notice of claim must be given to the Company within 30 days after the occurrence or commencement of any loss covered by the Policy, or as soon as is reasonably possible. Notice given by or for the Insured Person to the Company at the Company's home office, to the Company's authorized administrator or to any of the Company's authorized agents with sufficient information to identify the Insured Person will be deemed as notice to the Company.

Claim Forms. The Company will furnish claim forms to the Insured Person within 15 days after notice of claim is received. If the Company does not provide the forms within that time, the Insured Person may send written proof of the occurrence, character and extent of loss for which the claim is made within the time stated in the Policy for filing proof of loss.

Proof of Loss. Written proof of loss must be furnished to the Company at the Company's home office within 90 days after the date of the loss. Failure to furnish proof within the time required will not invalidate or reduce any claim if it was not reasonably possible to give proof within that time, if the proof is furnished as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted later than one year from the time proof is required.

Time Payment of Claims. Any benefit payable under the Policy will be paid immediately, but not more than 30 days, upon receipt of due written proof of loss.

Payment of Claims. All claims will be paid to the Insured, unless assigned. Any benefits payable on or after the Insured's death will be paid to the Insured's estate.

Assignment. Benefits under the Policy may be assigned.

Right of Recovery. If payment for claims exceeds the amount for which the Insured Person is eligible under any benefit provision or rider of the Policy, the Company has the right to recover the excess of such payment from the Provider or the Insured.

Legal Actions. No Insured Person can bring an action at law or in equity to recover on the Policy until more than 60 days after the date written proof of loss has been furnished according to the Policy. No such action may be brought after the expiration of three years after the time written proof of loss is required to be furnished. If the time limit of the Policy is less than allowed by the laws of the state where the Insured Person resides, the limit is extended to meet the minimum time allowed by such law.

Payment to the Texas Department of Human Services. In the event that the Texas Department of Human Services is paying benefits on behalf of an Insured Person under Chapters 31 or 32 of the Human Resources Code, i.e., financial and medical assistance service program administered pursuant to the Human Resources Code, and the Company is notified through an attachment to the claim when first submitted to the Company which states that all benefits payable are to be paid directly to the Department of Human Services, the Company will pay all benefits under the Policy for the Insured Person to the Texas Department of Human Services.

Payment to the Texas Department of Human Resources. In the event that the Texas Department of Human Resources is paying benefits on behalf of an Insured Person, the Company will pay benefits under the Policy for the Insured Person to the Texas Department of Human Resources.

Payment to Managing Conservator of a Dependent Child. For a minor child who otherwise qualifies as a Dependent of an Insured Person, benefits may be paid on behalf of the insured Dependent child to a person who is not the Insured Person if an order issued by a court of competent jurisdiction in this or any other state appoints such person the possessory or managing conservator of the child.

To be entitled to receive benefits, a possessory or managing conservator of an insured Dependent child must submit to the Company with the claim application written notice that such person is the possessory or managing conservator of the insured Dependent child on whose behalf the claim is made and submit a certified copy of a court order establishing the person as a possessory or managing conservator or other evidence designated by rule of the Texas State Board of Insurance that the person qualifies to be paid the benefits. Such requirements shall not apply in the case of any unpaid medical bill for which a valid assignment of benefits has been exercised or to claims submitted by the Insured Person where the Insured Person has paid any portion of a medical bill that would be covered under the terms of the Policy.

GENERAL PROVISIONS

Clerical Error. Clerical errors or delays in keeping records for the Policy will not deny insurance that would otherwise have been granted, nor extend insurance that otherwise would have ceased, and call for a fair adjustment of premium and benefits to correct the error.

Conformity to Law. Any provision of the Policy that is in conflict with the laws of the state in which it is issued is amended to conform with the laws of that state.

Entire Contract. The Policy, including any endorsements and riders, the Certificate, the Policyholder's application, which is attached to the Policy when issued, the Insured's individual enrollment form, if any, and the eligibility file, if any, are the entire contract between the parties. A copy of the Policy may be examined at the office of the Policyholder during normal business hours. All statements made by the Policyholder or an Insured will, in the absence of fraud, be deemed representations and not warranties, and no such statement will be used in defense to a claim hereunder unless it is contained in a written instrument signed by the Policyholder, the Insured, the Insured's beneficiary or personal representative, a copy of which has been furnished to the Policyholder, the Insured, the Insured's beneficiary or personal representative.

Amendments and Changes. No agent is authorized to alter or amend the Policy, or to waive any conditions or restrictions herein, or to extend the time for paying any premium. The Policy and the Certificate may be amended at any time by mutual agreement between the Policyholder and the Company without the consent of the Insured, but without prejudice to any loss incurred prior to the effective date of the amendment. No person except an Officer of the Company has authority on behalf of the Company to modify the Policy or to waive or lapse any of the Company's rights or requirements.

Incontestability. After the Policy has been in force for two years from its date of issue, it can only be contested for nonpayment of premiums. No statement made by an Insured Person can be used in a contest after the Insured Person's insurance has been in force for two years during the Insured Person's lifetime. No statement an Insured Person makes can be used in a contest unless it is in writing and signed by the Insured Person.

Insurance Data. The Policyholder must give the Company the names and ages of all individuals initially insured. The names of persons who later become eligible (whether or not the person becomes insured), and the names of those who cease to be eligible must also be given. The eligibility dates and any other necessary data must be given to the Company so that the premium can be determined.

The Company has the right to audit the Policyholder's books and records as the books and records relate to this insurance. The Company may authorize someone else to perform this audit. Any such inspection may be done at any reasonable time.

AMENDATORY RIDER REGARDING REPLACEMENT COVERAGE

The Policy/Certificate to which this Amendment Rider is attached is amended as follows:

The following applies when the Policy serves to replace similar coverage the Policyholder previously obtained through another plan or policy. In this provision, that other plan or policy is referred to as the prior plan. The Policyholder's coverage under the Policy will not be considered as replacement coverage unless the Policyholder's coverage under the Policy takes effect within 60 days after coverage under the prior plan ends.

In the absence of this provision, an Insured Person who was covered by the prior plan at the date of discontinuance might not qualify for coverage under the Policy because the person is not actively at work or is confined in a Hospital.

Each such person will be insured under the Policy if:

1. the person was insured under the prior plan, including coverage under the prior plan's extension of benefits provision, on the date the Policyholder's coverage with the prior plan ended; and
2. the person is in a class of persons eligible for coverage under the Policy.

The benefits payable for the persons described above will be the benefits of the Policy less any amount payable under the prior plan pursuant to any extension of benefits provision.

The Policy, in applying any waiting periods, will give credit for the satisfaction or partial satisfaction of the same or similar provisions under the prior policy.

This Rider takes effect on the effective date of the Policy/Certificate to which it is attached. This Rider terminates concurrently with the Policy/Certificate to which it is attached. It is subject to all the terms and conditions of the Policy/Certificate except as stated herein.

The Association will pay your claims, with some exceptions required by law, if your company is licensed in Texas and a court has declared it insolvent. You must live in Texas when your company fails. If you don't live in Texas, you may still have some protections.

For each insolvent company, the Association will pay a person's claims only up to these dollar limits set by law:

  - Up to $500,000 for health benefit plans, with some exceptions.
  - Up to $300,000 for disability income benefits.
  - Up to $300,000 for long-term care insurance benefits.
  - Up to $200,000 for all other types of health insurance.

- **Life insurance:**
  - Up to $100,000 in net cash surrender or withdrawal value.
  - Up to $300,000 in death benefits.

- **Individual annuities:** Up to $250,000 in the present value of benefits, including cash surrender and net cash withdrawal values.

- **Other policy types:** Limits for group policies, retirement plans and structured settlement annuities are in Chapter 463 of the Texas Insurance Code.

- **Individual aggregate limit:** Up to $300,000 per person, regardless of the number of policies or contracts. A limit of $500,000 may apply for people with health benefit plans.

- **Parts of some policies might not be protected:** For example, there is no protection for parts of a policy or contract that the insurance company doesn't guarantee, such as some additions to the value of variable life or annuity policies.

TEXAS DEPARTMENT OF INSURANCE NOTICE

- You have the right to an adequate network of preferred providers (also known as "network providers").
    - If you believe that the network is inadequate, you may file a complaint with the Texas Department of Insurance.
- You have the right, in most cases, to obtain estimates in advance:
    - from out-of-network providers of what they will charge for their services; and
    - from your insurer of what it will pay for the services.
- You may obtain a current directory of preferred providers at the following website: www.discovereyemed.com or by calling 1-866-939-3633 for assistance in finding available preferred providers.
- If you are treated by a provider or facility that is not a preferred provider, you may be billed for anything not paid by the insurer.
- If directory information is materially inaccurate and you rely on it, you may be entitled to have an out-of-network claim paid at the in-network percentage level of reimbursement and your out-of-pocket expenses counted toward your in-network deductible and out-of-pocket maximum.
